

Watercolor Illustrations

This is a fun interactive way to entertain and provide favors to guests at any event. A photo is taken of the guest, and I paint for the full time booked, arriving 30 minutes prior to scheduled for set-up.

I provide all supplies needed and table light if needed for evening events. Guests can watch their photos be recreated in front of them and come to life as they are displayed with a protective plastic sleeve for travels.

**Weddings Reception/Cocktail hour, Birthday parties, Engagement Celebration, Retirement Party, Office Party, Showers, Thank you cards, the list goes on!*
