

## Size

First things first, you need to pick a size for your painting and if you want it framed for the event so I can have it done in time and have the appropriate tools for setting.

## Venue View

You will need to decide on a background setting to be able to discuss in detail what setting you want for your portrait.

## Confirm

Contact me to confirm Date, Time, and Location of your event for scheduling availability and additional travel cost if applicable.

## Deposit

Once you have paid and received a confirmation email with an invoice for 25% deposit you're all set and I look forward to meeting you in person!
